

## **Moyagh Murdock – Chief Executive Officer**

Moyagh Murdock has been in the transport sector for over 20 years in various capacities. In her early career she spent 10 years in the airline industry having worked first in Bombardier in Belfast as an aircraft systems engineer and subsequently at TEAM Aer Lingus. She spent 8 years with TEAM as Manager Demand Management and as International Line Maintenance Manager.

She then moved into the heavy plant, construction and marine industry working for the Caterpillar dealership in Ireland as Group Product and Customer Support Manager for 7 years. Her most recent role was as Chief Operating Officer for Bus Éireann after having joined the Company in 2007 as the Deputy Chief

Mechanical Engineer with responsibility for the fleet maintenance and garage operations. As Chief Operating Officer, she had responsibility for Road Passenger Operations, Schools Transport as well as the Information Technology and Business Systems for the Company.

Moyagh comes from Newry and graduated from Queen's University Belfast with a B.Eng. Mechanical Engineering. In 2012 she was awarded an MBA from Dublin City University (DCU) and also holds a Certificate of Professional Competence in Road Transport Operations Management.
