

Reduced Essential Driver Training Programme (EDT) for Foreign Licence Holders

RSA

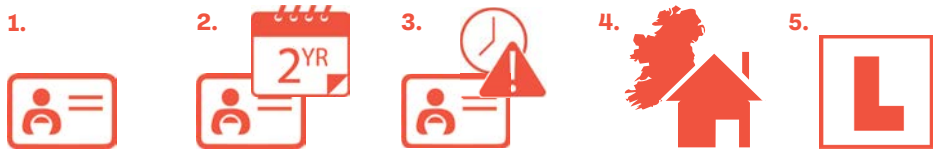

On 21 January 2019 the Road Safety Authority (RSA) introduced a reduced EDT programme for drivers who currently hold a car licence (category B) but come from a country that does not have a licence exchange agreement with Ireland.

When you get your first Irish learner permit, in order to sit your driving test you must complete Essential Driver Training (EDT). The full course is **twelve** one-hour sessions.

The **reduced** EDT programme is **six** one-hour sessions. It will teach you some of the most vital driving skills and help you to continue driving safely by improving your knowledge and understanding of road safety in Ireland.

Who can apply?

Holders of a current foreign driving licence from another country with which Ireland does not have a licence exchange agreement.

Conditions for applying:

1. You must hold a foreign driving licence.
2. You must have held a licence for at least **two years** prior to the issue of your Irish learner permit.
3. Your licence must not have expired more than six months on the date of receipt of application form.
4. You must be resident in Ireland.
5. You must hold an Irish learner permit.

FOR FURTHER INFORMATION, PLEASE VIEW OUR 'REDUCED ESSENTIAL DRIVER TRAINING (EDT)' INFORMATION BOOKLET AT WWW.RSA.IE
